

In **Literacy**, I will be focussing on writing and producing a Nature documentary based on an animal.

Later on in the half term, I will be writing a fable, inspired by Rudyard Kipling.

In **Maths** I will be developing my area knowledge. I will be consolidating and extending my skills when calculating larger multiplication and division sums using the written methods.

In **Science**, I will be investigating and comparing the life cycles of different animals. In addition to this, I will be exploring the human life cycle and how humans change as they age.

Topic title:
What is the difference between living and surviving?

Subject Focus: **Geography**

In areas of our topic, I will learn about the challenges faced by different animals and the reasons why they migrate.

We will look at the impact of different geographical landscapes on animals.

PE in Class 5 will be on a Wednesday afternoon this half term. Please ensure your child has the correct kit in school, including hair bobbles and spare socks if necessary.

We will continue to go swimming on Thursdays until February half term.

I will receive homework weekly. This will be set on a Wednesday and will need to be completed by the following Monday.

Spellings will be given out and tested the following week (any day).

In **Computing** this half term, I will continue to develop my cryptography skills to ensure that I am confident in my online security including passwords. I will also be using iMovie to produce my nature documentary.
