Dear Parents

Fantastic news for our academy!

I am taking this opportunity to personally write to you to share our fantastic news! Jerry Clay Academy received this wonderful letter this week.

We are so pleased to be identified as one of the top 3% performing schools for progress in England.

Achievements like this can never be achieved without the support of a whole team approach; motivated children, staff, parents & trustees, driving forward to achieve the very best. We are all 'striving to be the best we can be' and this truly shows in all areas of our academy.

As you know, our academy is successful because of the wide curriculum that we offer, in and out of school. For the last 5 years, our focus has been on ensuring that our children have a rich, purposeful and deep curriculum in all subjects, alongside their development of personal skills.

As well as academic developments, we have a very firm belief that children's values are equally as important. Values of motivation, perseverance, risk-taking, teamwork, inquiring and leadership skills permeate our curriculum.

Our academy continues to strive for each individual child in order to achieve the very best progress. Many thanks for your support in all that we are achieving. This is never taken for granted and something we constantly work on for all.

Yours sincerely,

Mrs. T Swinburne
