

Friday 15<sup>th</sup> March 2019

## **Weekly Communication**

Dear Parents,

We are already half way through this half term! We have been thrilled by the work we have seen this week, both inside the classroom and out. Thank you to all of the parents that joined us for the Year 4 'Sustainability' assembly on Wednesday. We look forward to further enhancing this work during our Outdoor Learning Week at the end of this term. We really hope that you have already pencilled 'Jerry Fest' into your diaries for **Friday 5<sup>th</sup> April**. Please remember to look at our Twitter feed daily where we continually add photos of the exciting learning opportunities that are happening around school.

### **Outdoor Learning Days**

This week was another brilliant Outdoor Learning day for our children using the 'Keith Orrell' Outdoor Classroom. Year 5 focussed on survival and had an interesting lesson on how it would feel to be in a tsunami and have everything you love removed in an instant. The days that we have outside

provide a wealth of learning opportunities for our children and allow them to further explore and deepen their learning. Every class will have had an Outdoor Learning day by the end of this term and we are sure you have already heard about the fantastic day that some classes have had.

### **Mental Health**

Our first Mental Health workshop this week had great attendance and was informative on the types of anxiety your children may present and the reasons for this. Our second workshop focussing on sleep is on **Tuesday 2<sup>nd</sup> April at 6pm**.

### **Charity of the Year**

As you know this year we have been supporting 'The Rockin R' charity in memory of Reece Miree. We will continue to work towards our goal of buying a gaming cart for a local hospital/hospice by the end of this academic year.

### Year 1, 2 and Year 3 Exhibitions

We are always keen to share the learning that our children have been doing and next week we have two exhibitions taking place. **On Monday, Year 3** will be sharing their learning about communities at **Wrenthorpe Village Hall from 2.30pm**, and on **Tuesday, Year 1 and Year 2 will be sharing their learning about 'Appreciation' from 9.15am** in school. We think you will be very impressed by the learning that has taken place!

Have a great weekend.

Kind Regards,  
Miss Brook & Mr Palin
