

In **Literacy**, I will be focussing on writing a persuasive text to encourage people to voyage to the Moon of Pandora.

Later in the term, I will be developing my narrative skills through fairy tale and mystery.

In **Maths** I will be continuing to extend my fraction skills by looking at the links to decimals and percentages. We will be investigating decimals and percentages in detail, so that we are able to manipulate them in many ways, including comparing and ordering them.

In **Science**, I will be investigating Earth and Space, Including the movement of the Earth and Moon, as well as our Solar System.

Topic  
title:  
**Life Through  
A Lens**

In other areas of the topic, I will be looking at the work of Natasha Newton in Art. I will be looking at her Moon images and I'll be developing my use of textures and designs to create my own version of her work.

**PE** in Class 5 will usually be on Wednesday afternoons. It will be Outdoors and focussed on Football for the first half term.

We will also be aiming to develop our stamina when running longer distances.

I will receive homework weekly. This will be set on a Wednesday and will need to be completed by the following Monday.

Spellings will be given out Each week and tested the following week (any day). Please use spelling shed to help practicing fun!

In **Computing** this half term, I will be developing my understanding of Blogging, looking at how this activity is useful and the benefits of blogging across the world.
