Weekly Communication

Dear Parents

Year 6 SATs

Next week our Year 6 children will be completing their SATS assessments. We would like to wish them lots of luck and know that all they can do is their best. We are proud of each and every one of them and the incredible hard work and determination they have shown over the last academic year. We are looking forward to welcoming them all in at 8.30am every morning for breakfast so that they are all relaxed and ready to sit the papers.

Year 6 Residential Meeting

There is a short information meeting for Year 6 parents on **Thursday 16th May at 5.30pm**. During this time the residential itinerary will be shared with parents and important medical information will need to be gathered. Please can we remind you to bring the following information: Doctor name, address and phone number; any information regarding medication your child takes; all emergency contact information for all parents/guardians; any details of allergies.

Twitter

Please make sure that you are following us on Twitter for daily updates on the learning and exciting events happening at JCA. We have included a quick step by step guide for those of you who are not familiar with this app. Please do ask any of the staff if you have any issues and please do like our posts. You will be surprised by how excited the children get when they see their tweet has been liked by over 20 people!

Have a great weekend.

Kind Regards,

Mrs. Swinburne, Miss Brook & Mr Palin
