

Easter Art

Draw, paint and colour an Easter Egg. There are so many ways! Draw around or print a toilet roll or circular lid to create overlapping circle to fill the egg. Colour each section a different colour.

Take a line for a walk – then paint and colour

To create these cute bunnies, start by creating a colourful background then cut out shapes from white paper for the head and ears. Add eyes, nose, mouth, whiskers.

Easter Fun

Make your own Easter word search using Easter words such as *spring, chicks, chocolate, eggs, daffodil, tulip, peace, faith, bonnet, basket, bunny, nest, family, and hunt.*

Make a maze or board game – help the Easter bunny collect all the eggs and escape!

EASTER HOLIDAY PACK Y3

Dear Parents,

Here are some activities the children might like to try to keep them busy during the school Easter Holidays!

Easter Games

Can the children make their own mini golf, ball toss or bowling alley using a cardboard box and empty cans (make sure they're not sharp!)

Easter Hunts and Trails

Fitness trail - Why not hide plastic eggs or make eggs shapes from scrunched up paper or foil. Inside each one hide an activity such as Star jumps, lunge jumps, ninja kicks etc. Ask the children to make the trail- I'm sure they'll have lots of ideas from PEwithJoe!

Backwards Easter Egg hunt – Let the children play Easter bunny and hide eggs for the parents. The eggs can be filled with special coupons to skip a chore, choose a special meal or pick the film for family movie night. The adults have to grant whichever wishes they don't find. Love this!

Happy Easter or Felices Pascuas!

Why not make an Easter card, picture or word search using these Spanish Easter words!

la cruz

el conejo de Pascua

los huevos

el pollito

el conejo

Jesús

el chocolate

el cordero

el sombrero de Pascua

la mariposa

las flores

el nido de la gallina

los bollitos cruzados de Viernes Santo

la cesta de los huevos de Pascua

Easter upcycling

Recycle an empty milk bottle or juice carton into one of these fantastic bird houses, bird feeders or planters. Sharpie pens will colour these really well.
