How to make... Hot Cross Cookies

Ingredients	Equipment
200g of softened butter, plus extra for the trays	Oven
100g of light muscovado sugar	Two baking trays
1 egg	Large mixing bowl
250g of plain flour	Sieve
1 tsp of cinnamon	Wooden Spoon
2 tsp of baking powder	Small bowl (for chocolate melting)
100g of sultanas	Microwave
200g of white chocolate chips	Piping bag (or teaspoon)
	Cooling rack

1. Turn on the oven at 180°C or gas mark 4. Lightly butter the baking trays.
2. In the large bowl, beat the butter, sugar and egg until it is smooth.
3. Sift the flour, cinnamon and baking powder into the bowl and then combine to make a dough. After doing this, add the sultanas and 100g of the white chocolate chips. Mix everything together.
4. Roll lumps of dough into balls roughly the same size as golf balls. Flatten these onto the trays.
5. Bake in the oven for 10 minutes until they look golden and yummy.
6. When baked, remove the cookies from the tray and place them on a cooling rack. While they're cooling, get the remaining white chocolate and melt it in the microwave on low in 20 second bursts.
7. Using a small piping bag or a teaspoon, carefully drizzle a cross on top of each cookie. Leave the icing to set before eating.
