

Seesaw

Please use the information sent out about Seesaw to access this resource. Your username and password is on the email sent out on Monday 20th.

Maths

White Rose Maths

Children can continue to focus on the online Home learning lessons that WRM hub have on their website to continue to develop their new learning on fractions.

<https://whiterosemaths.com/homelearning/year-3/>

Children could continue to practise addition, subtraction, multiplication and division to challenge themselves and questions quickly.

Times Table Rockstars

Please keep using TTRS to help with your knowledge.

NUMBOTS

Please continue to use NUMBOTS to practise different skills, as you progress through the levels, the skills will get more challenging. If you search NUMBOTS, the children just need to enter their username and password (the same as their TTRS) to access the resources.

Mangahigh

Please continue to use manga high to develop a range of skills. Your username and password are on the inside of your home learning folders.

History / Geography:

Can you think about and research different types of farming. This could be looking at what farming is, why we need farming and what happens to the products produced through farming.

YEAR 3 HOME LEARNING

Every child deserves a champion an adult who will never give up on them, who understands the power of connection and insists that they become the best that they can possibly be.
- Rita F. Pierson

Dear Parents,

Here is an overview of tasks we'd like the children to be completing at home over the upcoming week. We are committed to ensuring that your child is still learning as much as possible and endeavour to do our absolute best to keep this happening. We will be in communication with you via email as much as possible during this time.

Warmest regards,
Miss Firth ☺

Spelling, Punctuation and Grammar (SPAG)

Spelling Shed

I have assigned some spellings to learn this week (words ending in -ture) so you can practise on spelling shed and then we will have an online test on Monday 27th at 1 o'clock. I will send a time out the code to parents so you can join this.

Handwriting

To practise handwriting in the exercise book provided. Thinking about improving the neatness of their writing.

Science:

Thinking about the topic 'Light'.

Can you make a poster about the dangers of light sources, such as the sun and electricity? Can you include pictures, words and phrases to make it clear how we can stay protected? For example, do not touch light bulbs, wear sun cream in the sun.

Music

To go on YUMU and complete some singing. You have been emailed your username and password for these.

Reading Comprehension

When reading, to be asked questions related to the text.

In the pack provided are different comprehension texts, please complete one a week.

Continue to develop a glossary of new vocabulary

Mindfulness

In the pack provided are different colouring pages. Please make sure the children have time to relax and clear their minds with something calming. ☺

Writing

Could you complete a setting description of a secret garden that you may wish to find, you could use the following pictures to help you.

Lesson 1 – Writing words and phrases using descriptive language

Lesson 2 – Putting these words and phrases into high level sentences

Lesson 3 – Describe the garden as if you were there and how you would feel in a detailed piece of writing

Lesson 4 – Critique and uplevel your writing to make it more exciting

Daily Reading!

There is still an expectation that children will read daily and have a signed signature in their diary. This is a great opportunity to read some great books – us adults certainly will be!
