# RECEPTION HOME LEARNING

Dear Parents,

Here is an overview of the tasks we would like the children to be completing at home this week. The challenges highlighted are aligned to the characteristics of effective learning in the Early Years and work towards the Early Learning Goals. This week our core text is 'Tiddler'. You can listen to me reading this book on Tapestry. I have also uploaded templates and examples for most of the challenges. Please choose a variety of challenges from this sheet throughout the week but try to include Literacy and Maths every day. Refer to the suggested timetable attached.

Warmest regards, Mrs Burrows

## Mental health and well-being

**Challenge 1** Join Mrs Sellars for a Yoga workout. See Tapestry for video.

**Challenge 2** Breathing Buddies.

More ideas found here: <http://abctoes.com/home-learning/>

## Art / Creative

**Challenge 1** Create paper plate sea creature.

**Challenge 2** Create a cardboard tube sea creature.

**Challenge 3** Bubble wrap or lego print fish.

**Challenge 4** Create and decorate a treasure chest.

## Investigation/ICT

**Challenge 1** Find out about pollution in the environment/Ocean.

## Literacy Reading

### Tiddler

Listen to me reading this story on Tapestry. Discuss the events and characters in the story.

### Action Words

Children have been learning to recognise, read and spell the Action words 1.1-1.9. These are common 'red' words. Please refer to the Action Word sheets in your home learning pack for games and ideas to practise these.

**Daily Reading** Read the green, red and speedy words in your RWI books. Read the story for 5 consecutive days to build up fluency.

### RWI Phonics

Join Ruth Miskin on YouTube at 9.30am and/or 10.00am to learn and review sounds and join in word time sessions.

## Literacy Writing

**Challenge 1** Draw a picture of your favourite sea creature and their habitat. Label it. Use the word mat to help you.

**Challenge 2** Write a message in a bottle. See attached.

**Challenge 3** Draw an 'under the sea' treasure map for Tiddler to find his friends.

"Play is the  
only way the  
HIGHEST  
INTELLIGENCE  
of humankind  
can unfold."  
Joseph Chilton Pearce

## Tapestry

Please upload photos of your child's learning to Tapestry including the challenges detailed in this weekly plan. I can give direct feedback and support throughout the week and highlight next steps for your child.
