

Well-being and mental health

Dip into these messages of hope. Maybe you could even draw a picture, write a story or a letter to give hope during these uncertain times.

Music

Big Sing 2020

Wakefield Music Hub are organising BIG SING 2020. The first Big Singalong Day is 12th May as part of International Nurses Day. To join with families, school, and choirs around Wakefield, learn the song 'One' which features singing and signing in the chorus, then record and share your performance on twitter @WakefieldMusHub or Facebook WMS Big Sing 2020. These will then be compiled into a big Wakefield video! Sing along live on the day on Facebook. <https://www.youtube.com/watch?v=5UJkC2BY7PB0&feature>

Maths

White Rose Maths –

<https://whiterosemaths.com/homelearning/year-4/> This week's lessons will be

Week 2 Lesson 5 – Divide 1 or 2 digits by 100
Summer Term Week 1 Lesson 1- Make a whole
Summer Term Week 1 Lesson 2- Write decimals
Summer Term Week 1 Lesson 3- Compare decimals

From the learning pack: You could try the two worksheets called Being the teacher. Here you have to check calculations with the inverse so if it's an addition check with a subtraction and vice versa.

Times Table Rockstars –

Diamond Dash!!

Great to practise important mental maths skills with games and quizzes!

Manga High Games and quizzes to practise key areas of maths.

Numbots – use TTRS login Use the Challenge mode

YEAR 4 HOME LEARNING

Dear Parents,

Here is an overview of tasks we'd like the children to be completing at home over week beginning 4th May. We will be continuing with our theme **Caring and Connecting during Crisis** and inspired by Roald Dahl's Matilda we will be finding out about a different Matilda in the Pages&Co story by Anna James.

Warmest regards,
Mrs. Elliott

Spelling, Punctuation and Grammar (SPAG)

Spelling Shed

Our new spelling words use the -ion suffix
Invention, injection, action, hesitation, completion, stagnation, nomination, migration, conservation, selection
*Practise on Spelling Shed ready for our interactive spelling test on **Spelling Shed** on **Thursday 7th May at 2pm***

Art Art is where home is. Create a piece of work about lockdown. (Lots of ideas in the letter!)

Reading Comprehension

Ancient Egyptian Mummy! Our last reading comprehension about Ancient Egypt. A poem about the mummification process.

Writing

Inspired by **Roald Dahl's Matilda** complete a short descriptive writing task about special powers. Imagine that you have a special power too. Learn about descriptive writing techniques and then write about the time when you discovered your own special powers. What did you use your magical powers for? Please see the supporting materials in the learning pack and on Seesaw.

Geography: Connecting around the World.

Based on our reading comprehensions over the last few weeks. Find out about Egypt and the Great Pyramids of Giza, the last surviving of the Ancient Wonders of the World. Take a virtual tour of the pyramids and research Egypt. Or research a famous landmark from around the world.

Science: Matilda can move things with her mind, but that doesn't happen in real life. Find out about forces that make things move.

Daily Reading!

Please remind the children to read daily and have a signed signature **at least once a week** in their diary.

Computing:

Thanks to Amelia B for this top tip for learning about Coding to create a really fun Dance Party. Great fun and super computing skills. <https://www.amazonfutureengineer.co.uk/free-virtual-coding-programme>

Twitter: Tag us in pictures of you learning from home! @JCAWakefield
