

Maths

Virtual learning -

This week in Maths, our virtual lessons continue. I will be covering flashback lessons to recap all Maths skills. The video and sheets will be accessible on seesaw.

Diamond Dash

Please continue to practise your Diamond Dash

Times Table Rock stars

This week, we will be having a battle between boys and girls in Year 2! Let's see if boys or girls will be the winners of the battle. I will be emailing certificated for the top 3 contributors.

Top Marks –

This week we will be using the top marks website to practise our Maths skills. There are a variety of games which can be played.

YEAR 2 HOME LEARNING

Good morning Year Two ☺

Here is an overview of tasks we'd like the children to be completing at home for our celebration assembly over the forthcoming week

What a year it has been in year two! We feel so lucky to have been part of your learning journey and we are incredibly proud of your home learning!! It is almost time for a holiday!

This week, we celebrate our year in our Celebration assembly on Wednesday. Thank you for your hard work on this. Please send me any last contributions on Monday.

We hope you enjoy a relaxing holiday and are so looking forward to seeing everyone back in school in September

#TeamYearTwo,

Miss Mitchell and Mrs Wilkinson ☺

Art

Your challenge for Art this week, is to a piece of artwork for year 3 for Mrs Elliott. You can be as creative as you wish! You could create a painting, collage, 3d model or even use the computing program paint! It could be about anything from what you are looking forward to the most in year 3, your first zoom call with Mrs Elliott, a picture you would like to show Mrs Elliott, anything at all! Please upload your beautiful artwork to seesaw so that I can share these with Mrs Elliott. ☺

Mindfulness

It is so important to make sure you are having a break away from screen time and enjoying outdoor and creative learning. Why not take some time to close your eyes and listen to peaceful music. You could also try some cosmic Yoga, which you can find on our virtual school page. Or you could complete some colouring. I would love if you could share your photos or videos on seesaw!

Daily Reading ☺

Our continued reading challenge is to find the most interesting/cosy/favourite place for your daily reading. It would be great if you could share your photos/videos on seesaw.

This week we have the JCA Reading Bingo challenge too! I will upload it to seesaw and you can see how many challenges you can complete throughout the week! ☺

Please remember to return your reading books to school so that we can get the library ready for September!

Writing

This week, we will be focussing on preparing for our transition to Year 3!! There will be different activities each day to share information and to help Mrs Elliott get to know you before September. I will upload templates for each activity every day but you can be as creative as you wish when completing these activities! ☺

Active/P.E

It is so important to keep active and continue to move and keep fit. This week, there are a range of activities for P.E:

- PE with Joe Wicks on YouTube
- <https://www.nhs.uk/change4life/activities> Change for life have indoor and outdoor activities
- A bike ride or walk
- Create your own games outside
