## Charging and Remissions Policy

Agreed and accepted by Governing Body  
November 2016  
Review Date – November 2017

## **Introduction**

The Head Teacher and Governing Body recognises the value of providing a wide range of experiences to enrich and extend pupils' learning and to contribute to their personal development. The Head Teacher and Governing Body aims to promote and provide such experiences for the pupils of the school, both as part of a broad and balanced curriculum and as additional optional activities.

However, many of these activities have an associated cost and cannot be provided unless voluntary contributions are received or parents are charged for the cost.

This policy will set out the circumstances in which charges will or will not be made for school activities and when charges may be waived in order to ensure that all pupils have an equal opportunity to benefit from school visits, curricular and extra-curricular activities.

### **Statement:**

The policy complies with the requirements of the Education Act 1996.

Where 'parent' is referred to this will include adults with a responsibility for the pupil. We

aim:-

- To make a broad programme of activities and trips accessible to as many pupils as possible which give added value to the curriculum
- To establish and maintain a fair and coherent system of charges within the constraints of the school budget, seeking to ensure that no child should have their access to the curriculum limited by charges.
- To provide a process which allows activities to take place at a minimum cost to parents, pupils and the school
- To respond to the wide variations in family income while not adding additional unexpected burdens to the school budget.

### **Legislation – Educational During School Hours**

The Department for Education (DfE) in its guidance to School Governors states that "education provided during school hours must be free. The definition of "education" includes materials, equipment and transport provided in school hours by school to carry pupils between the school and an activity." It goes on to advise that "although schools cannot charge for school time activities, they still invite parents and others to make voluntary contributions (in cash or in kind)"

When additional costs are incurred by Jerry Clay Academy to enhance the curriculum opportunities for the pupils, parents may be requested to make voluntary contributions. However, no pupil will be left out of an activity because his or her parents cannot or will not make a contribution of any kind.

### **Education Outside School Hours**

The DfE in its guidance to School Governors states that "Parents can only be charged for activities that happen outside school hours when these activities are not a necessary part of the national curriculum or religious education. No charge can be made for activities that are an essential part of the syllabus for an approved examination. Charges may be made for other activities that happen outside school hours if parents agree to pay. The Education Reform Act 1988 described activities, which can be charged for as "optional extras".

### **Remissions**

To ensure that access to activities reflects intentions, Jerry Clay Academy will implement the following Remissions Policy. The fundamental aim of this policy is to ensure that all pupils gain fully from everything that the school is able to offer them and is based on an

understanding of the relationship between low income, entitlement and access. This policy takes into account the very real and persistent difficulties which people on low income have in meeting the costs of educational activities for their children.

Where parents are in receipt of Income Support, Income Based Jobseekers Allowance, Support under part IV of the Immigration & Asylum Act 1999 or Child Tax Credit (provided that Working Tax Credit is not also received), the Governing Body will observe its statutory requirement to remit in full the cost of board and lodgings for any residential activity that the school organised for the pupil if the activity is deemed to take place within school hours

There may be cases of family hardship which make it difficult for pupils to take part in other particular activities for which a charge is made. When arranging a chargeable activity the Governing Body will invite parents to apply in confidence for the remission of charges in part or in full. Authorisation of remission will be made by the Head Teacher in consultation with the Chair of Governors.

### **Data Protection of pupils and families.**

Teachers will ensure that these children are not publicly identified and stigmatised. This is particularly important as the fear of stigmatisation is often a key element in the non-take up of Free School Meals. This will be accomplished by developing methods of collecting voluntary charges or dinner money, which do not identify children who do not contribute.

## **CONTRIBUTIONS**

Voluntary contributions may be requested to help with providing activities even though they may be part of the normal school day or part of the National Curriculum.

If voluntary contributions are requested for an activity it should be clearly understood that there is no obligation to contribute and that if the parent is unable or unwilling to pay, the child will not be excluded from the activity.

If sufficient contributions are not received the activity may be cancelled.

### **Charges:**

The Governing Body reserves the right to make a charge for the activities and items detailed below:

- Trips (out of school hours);
- Residential;
- After school and pre-school clubs;
- Music tuition if it is not required for the National Curriculum and is provided for an individual pupil or for small groups of pupils (no more than 10);
- Damage to school property - the cost of replacing any item, such as a broken window or defaced, damaged or lost book, where this is a result of a pupil's behaviour;
- Visits to school by professionals e.g. Authors, storytellers, musicians, dancers, artists etc., and
- Damage to school books (Reading scheme).

### **Individual Music Tuition:**

- To require parents to make a contribution towards the cost of instrumental tuition by teachers of the Music Support Service. The amount will be determined annually by the Governors in response to the charges levied centrally for the service. Parents will be informed that there will be a charge and given an accurate indication as possible at the beginning of the school year. Parental agreement and a signed contract will be obtained before the tuition is provided. Parents are encouraged to apply in confidence to the Head Teacher for the remission of charges and to put a formal agreement will be in place for exceptional circumstances.

### **Ingredients or Materials for Practical Subjects**

- Parents are encouraged to provide ingredients, materials, etc. needed for practical subjects such as Technology. The Governing Body may charge for, at cost or less, or require the supply of, ingredients and materials if parents have indicated, in advance, their wish to own the finished product.

### **Lost School Equipment, Books etc.**

- Parents will be expected to replace or pay for the cost of lost items of School property.

### **Breakages and Damage to School Buildings, Furniture or Property**

- Parents will be charged for damage caused as a result of a pupil's behaviour.

### **Private fees**

#### Freedom of Information

- Any report or data that is requested on a child for the purpose of a third party private assessment requested by a parent (e.g. Mid-year pupil progress report for solicitors, private psychologist reports or solicitor reports) will be charged at an agreed rate by the Head Teacher in discussion with the Chair or Vice-chair of Governors. This rate will include a cost for staff time to sort and collate the relevant information (not less than £10 per hour) as well as photocopying charges (not less than 10p per sheet) and postage.

The Governing Body may, from time to time, amend the categories of activity for which a charge may be made.

Nothing in this policy statement precludes the Governing Body from inviting parents to make a voluntary contribution towards the cost of providing education for pupils.

The Charging and Remissions Policy will be reviewed at regular intervals and charges may be adjusted as a result of that review.
