## Striving to be the best

### **Our Vision...**

...to promote the development of secure, happy, well-adjusted individuals who are equipped for lifelong learning.

### **Our aims are to...**

Create an environment in which the children feel secure and happy

Enable each child, through fostering high expectations, to grow and develop intellectually, physically, spiritually, and aesthetically in order to enable him/her to achieve their potential

Develop attitudes which will be positively helpful to the individual child, the whole school and to society in general

Foster good relationships among all staff, children, parents, governors and the community and promote equality of opportunity

- Learning through play and exploration – enjoying their time in school

# What principles do we work from in the EYFS?

There are 4 principles that underpin our work in the EYFS:

1. Every child is **unique**
2. Children learn through **positive relationships**
3. **Enabling environments** support children's development
4. Children **develop and learn in different ways** and at different rates

# EYFS Curriculum – What will your child learn?

There are 7 areas of learning covered in the EYFS

The 3 **Prime Areas** are:

- Personal, social and emotional development
- Communication and language
- Physical development

The 4 **Specific Areas** are:

- Literacy
- Mathematics
- Understanding the world
- Expressive arts and design

# EYFS Curriculum – Child-led learning

We believe that young children learn best when what they are learning is meaningful, purposeful and interesting to them.

We begin each half term with a **‘starting point’**:

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Marvellous Me	Into the Woods	Frozen Planet	The Circle of Life	Under the Sea	Miniature Worlds

From this starting point, all planning is **child-led** and children are actively involved in shaping their learning every week through:

- Daily ‘review’ sessions to talk about learning and make plans;
- Contributing to and referring to our ‘Learning Journey’ wall;
- Weekly whole class planning sessions to discuss what we have learned recently and where our learning might take us next;
- Weekly ‘Talking Floor Book’ sessions to discuss interests as a group; and
- Regularly looking at Learning Journals with our teachers and friends.

# EYFS – How does your child learn?

In the EYFS, we believe that children learn by:

- Playing and exploring
- Being active
- Creating and thinking critically

What does your child learn when they play?

To challenge and engage young children there must be a balance between child-initiated and adult-initiated activities.

Play is the  
highest form  
of research

# Supporting your child over the summer

You can help prepare your child for the start of school by:

- Talking with your child about school, answering their questions and sharing in their excitement.
- Practising changing in and out of their brand new school uniform and PE kit – make it a fun game or even role play!
- Practising the journey to school.
- Encouraging your child to be independent in going to the toilet, washing their hands and cutting their own food.
- Reading to your child, singing songs and nursery

# Supporting your child on the Big Day!

We know that your child's first day at school is a big day for you both and we want to support you as much as we can in making this exciting step as smoothly as possible.

## **Phased start**

Children will start school over a period of three days **from Wednesday 2<sup>nd</sup> to Friday 4<sup>th</sup> September** so that we can support children in smaller groups. We will confirm your child's start date asap.

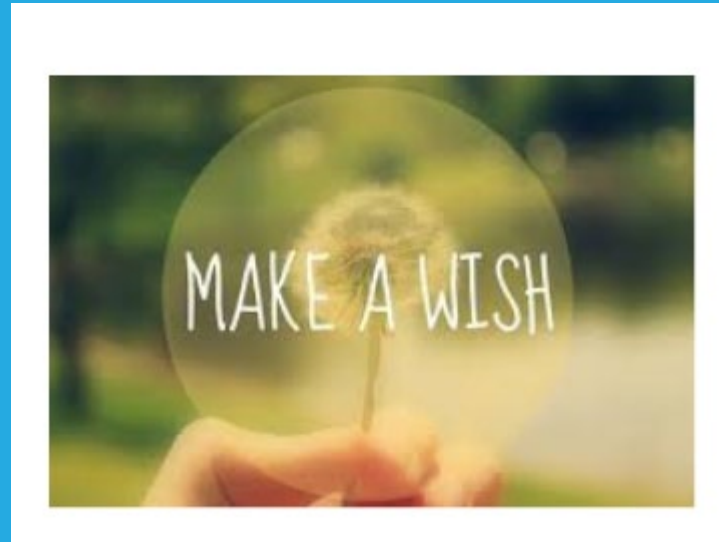

## **Daily routines from Day 1**

Please come in to school to settle your child as you will do each day. We will ask you to leave by 9a.m. so that

# Finally – Make a wish!

We would love for you to write down what you wish for your child as they begin full time education on one of the stars provided.

Thank you and please do not hesitate to contact us with any questions you may have.
