

Jerry Clay Academy
Subject Knowledge Organiser

Subject: History

Year Group: Year 2

Term: Summer 2

Core Learning of This Unit:

- **To develop awareness of what is the weather and the impact this has had on society today and in the past.**
- To develop awareness of the past, using common words and phrases relating to the passing of time.
- To know where people and events fit within a chronological framework.
- To identify similarities and differences between the ways of life in different periods.
- To use wide vocabulary of everyday historical terms.
- To ask and answer questions and use other sources and stories to show they understand key features of events.
- To understand about the different ways we find out about the past.

Prior Learning:

- Children have understood what History is.
- Children can ask questions about a Historical event.
- Children have started to consider how today is very different to other historical periods.

National Curriculum Statements:

- Pupils should be taught about changes within living memory. Where appropriate, these should be used to reveal aspects of change in national life
- Pupils should be taught about events beyond living memory that are significant nationally or globally.
- Pupils should be taught about the lives of significant individuals in the past who have contributed to national and international achievements. Some should be used to compare aspects of life in different periods.

Key Vocabulary:

- Era/period
- Chronological order
- Danger
- Significant
- Survive
- Encounter
- Impact
- Opinions
- Travel
- Rescue
- Explorers

Significant People

Alex Deakin

Alexander Roy "Alex" Deakin is a weatherman for the Met Office. Deakin appeared regularly on BBC services and was one of the main weather presenters on the BBC News at Ten. In addition, he joined the Weather team on BBC Breakfast in January 2007 and appeared regularly at the weekends and as cover.
