

## Jerry Clay Academy Subject Leader Action Plan

### NOTES FOR 2020 – 21

-Ensure that vocabulary is explicit in sketch books, explicitly planned into a teaching cycle and evident in the children's work so that progression is evident. Focus on designers within each class – in line with the progression document – to ensure knowledge is built upon progressively.

-Strengthen links with other schools in the development of DT curriculum, including twitter.

-Continue to work alongside staff so that confidence in high-quality teaching continues to develop, allowing staff to share ideas of good practice particularly with whole-class teaching.
