Chair of Standards and Pupils (Standards) sub-committee – Louise Bland

For the academic year 2020/21, I can confirm that the Jerry Clay Academy Standards and Pupils sub-committee has:

- Ensured that the Jerry Clay Academy Standards sub-committee has the appropriate knowledge, skills and acumen from its members to support the school to make decisions for the good of the pupils and staff;
- Ensured that Trustees have identified and undertaken the appropriate training requirements for the Standards and Pupils sub-committee including succession planning;
- Ensured quorate Standards meetings are held quarterly with an appropriate clerk, agenda and are officially minuted;
- Ensured a committee chair is elected;
- Ensured that termly data from across school is fed back to Trustees and appropriately challenging questions are asked to seek more information across a wide range of pupil groups;
- Ensured that the Quality of Teaching is reported on and where support is given, such as with an NQT, this is fed back to the committee;
- Ensured that the Academy Improvement Priorities are reviewed, and relevant updates are provided;
- Ensured that the curriculum at Jerry Clay Academy is reviewed and that it is relevant. This has included a more in-depth focus on the subjects on the School Development Plan (SDP) where subject co-ordinators have fed back on the developments in these subjects (Spanish, DT and RE);
- Ensured that the Academy's assessment procedures are reviewed, including tutorials in using the new assessment tool for EYFS, Tapestry.
- Ensured that the Academy's COVID procedures for learning are in-line with government guidance and meet the needs of all pupils.
