

30th November 2021

Dear Parents

Further to my ParentMail yesterday, you will be aware that the government is reacting swiftly to Omicron the new Covid-19 variant, re-introducing some restrictions while scientists work to understand its transmissibility, ability to cause severe illness and resistance to vaccines.

Until further notice, therefore, staff and visitors will be wearing face masks in communal areas. We would also ask that parents/carers also wear face masks at drop off and pick up and whilst on the school premises.

We are planning to go ahead with Christmas events and we have planned these to take place as safely as possible. We ask you to undertake a lateral flow test, and for this to be negative, before coming in to school. We will provide hand sanitizer for you to sanitise your hands upon entry and expect you to wear face coverings while on our premises.

Please remember, as rooms will be well ventilated, you may want to add an extra layer to keep warm.

As always, we will continue to monitor the situation in school with regards to Covid-19 and to act on any guidance from Public Health. As such, we will continue to keep arrangements under review and we may need to change our plans at any time. We will endeavour to keep you fully informed.

With kind regards

Mrs C Elliott
