## Jerry Clay Academy-Reception Long Term Curriculum Plan

The 'starting points' to themes have been planned for the academic year, however there is scope for adaptations to meet the interests of the children at the time and so the information below may change slightly as the year progresses.

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Marvellous Me	Into the Woods	Frozen Planet	Under the Sea	Circle of Life	Miniature Worlds

#### Fundamental British Values (Ongoing)

**Democracy:** Making decisions together (PSED: BR, MS and SR) Children to know their views count, value each other's views and values and talks about their feelings. When appropriate demonstrate democracy in action, for example children sharing views on the theme of their role play area with a show of hands.

**Rule of Law**: Understanding rules matter (PSED: BR, MS and SR) Children understand their own and others' behaviour and its consequences and learn to distinguish right from wrong. Rules and codes of behaviour, for example, to agree the rules about tidying up and rules apply to everyone.

Individual Liberty Freedom for all: (PSED: BR, MS and SR; UW: P, C and C) Develop a positive sense of themselves, develop their self-knowledge, self-esteem and increase their confidence and their own abilities. For example, talking about their experiences and learning. Explore language of feelings and responsibility, reflect on their differences, and understand we are free to have different opinions (Link to Mindfulness)

Mutual respect and tolerance: treat others as you want to be treated (PSED: BR, MS and SR, UW: P, C and C) Ethos of inclusivity and intolerance where views, faiths cultures and races are valued. Children are engaged with the wider community. Acquire tolerance and appreciation of and respect from their own and other cultures. Know about similarities and differences about themselves and others and among families, faiths, communities' cultures and traditions. Share and discuss practises, celebrations, and experiences. Importance of tolerant behaviours such as sharing and respecting other opinions, promote diverse attitudes and challenge stereotypes, for example, sharing stories that reflect and value the diversity of children's experiences and providing resources and activities that challenge gender, cultural and racial stereotyping.

Gross and Fine Motor / Health and Safe Care	Outdoor Focus – manipulating and transporting resources.  Walk, jump, run and crawl with increasing control • Have an established dominant hand • Begin to use a range of tools safely and appropriately	Yoga  Outdoor Focus — manipulating and transporting resources.  Progress towards a more fluent style of moving, with developing control and grace.  Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor.  Develop their small motor skills so that they can use a range of tools competently, safely and confidently hold pencil correctly, use scissors with some control and use a knife and fork independently	Develop the overall body strength, coordination, balance and agility needed to engage successfully with future pe lessons.  • Children to, spin, rock, tilt, fall, slide and bounce.  • Combine different movements with ease and fluency -opportunities to move that require quick changes of speed and direction.  • Further develop the skills they need to manage the school day successfully: - lining up and queuing (patience, turntaking and selfcontrol when they need to line up and waitmealtimes	Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group.	Develop overall body-strength, balance, coordination and agility. • Further develop and refine a range of ball skills including: throwing, catching, kicking, passing, batting, and aiming.	Negotiate space and obstacles safely, with consideration for themselves and others  • Develop confidence, competence, precision and accuracy when engaging in activities that involve different sized balls.  • Introduce children to balls games with teams, rules and targets.  • Begin to show accuracy and care when drawing.  • To form letters accurately and with speed.

# Communication & Language

- Become familiar with our repeated reads and begin talking about the settings and the characters
- Begin to build a bank of specific vocabulary when talking about families and autumn
- Enhance their repertoire of songs and rhymes
- Begin to share non-fiction books

### Comprehension

Retell the repeated read books

• Share non-fiction books as a group to understand vocabulary about ourselves, family, and school, our local community and city -Looking after our community and ourselves

- Develop a range of social phrases for use throughout the day
- Know why it is important to listen in a range of different contexts
- Share their ideas with their friends and a familiar adult
- Begin to ask questions to find out more
- Use taught vocabulary with growing confidence when playing and talking
- Use past tense appropriately when talking about things that have happened
- Use phrases from the repeated read stories when looking at the books independently.
- Begin to pay attention to how rhymes and songs sound
- Know that non-fiction books can be used to find out information

## Comprehension

Use phrases from the repeated read stories when looking at the books independently.

- Continue to develop their knowledge of subject specific and every day vocabulary
- Talk about a range objects and events in greater detail.
- Share their thoughts and ideas with increasing confidence with a larger group
- Begin to use future tense correctly when talking about things that are going to happen Retell the repeated read stories using their own words and familiar phrases
- Show an awareness of rhyming words in familiar rhymes and songs
- Listen to and talk about familiar nonfiction books

#### Comprehension

Retell the repeated read stories using their own words and familiar phrases

Use taught vocabulary with confidence when talking and playing

- Use vocabulary gained from books when talking and playing. Listen attentively in a greater range of contexts
- Be able to talk about their thoughts and ideas using longer sentences
- Begin to use a range of tenses when speaking
- Talk about familiar stories in greater detail
- Begin to suggest an appropriate rhyming word to complete a phrase from a familiar rhyme or song

#### Comprehension

Talk about familiar stories in greater detail (character, settings)

- Begin to predict what might happen next in stories
- Begin to suggest an appropriate rhyming word to complete a phrase from a familiar rhyme or song

Continue to learn and use new vocabulary throughout the day

- Narrate events and talk about previous events
- Describe events in some detail
- Use talk to help work out problems
- Begin to ask questions to gain a better understanding / clarify their thinking
- Begin to use connectives to connect their ideas when speaking
  Talk about what
- might happen and how things work

   Hold
- conversation when engaged in back-and-forth exchanges with their teacher and peers.
- Begin to 'clap out' longer,

Listen attentively and respond to what they hear when being read to and in whole class discussions

- Make comments about what they have heard and ask questions to clarify their understanding
- Participate in discussions in a range of different contexts
- Offer explanations for why things might happen using learned vocabulary
- Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with support

#### Comprehension

Demonstrate
understanding of what
has been read to them
by retelling stories and
narratives using their
own words and recently
introduced vocabulary

		Begin to pay attention to how rhymes and songs sound  Know that non-fiction books can be used to find out information  Begin to talk about characters from familiar books	Show an awareness of rhyming words in familiar rhymes and songs     Listen to and talk about familiar nonfiction books based on appropriate themes		interesting words in familiar rhymes and songs • Continue to explore non- fiction texts linked with new knowledge and vocabulary  Comprehension  Begin to 'clap out' longer, interesting words in familiar rhymes and songs • Continue to explore non- fiction texts linked with new knowledge and vocabulary • Sequence events from familiar stories	Anticipate – where appropriate – key events in stories     Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play
Writing	Words, lists, cards and captions  Writes their name independently  • Form the capital letter at the start of their name correctly  • Form some recognisable letters	Words, lists, cards and captions  Form capital letters correctly in words that are important to them e.g. family names  • Form some recognisable letters	Simple sentences  Action Words (High frequency words introduced)  Begin to combine words to write short phrases	Simple sentences  Action Words  Spell a range of words using single sounds and taught special friends  • Form letters with increasing accuracy	Sentences using high frequency words  Be able to form lower-case and some capital letters correctly  • To begin to write simple sentences that	Sentences using high frequency words  • Use a capital letter and full stop when writing sentences.  • Re-read their writing to check that it makes sense.

	• Spell CVC words using Fred Fingers	Begin to write simple labels and captions	<ul> <li>Spell words         confidently using     </li> <li>Fred Fingers</li> <li>Form letters with         increasing accuracy     </li> </ul>	Write simple phrases with increasing confidence, using Fred Fingers to help sound out words	can be read by others • Begin to spell some common exception words correctly	Spell a range of common exception words correctly
