#### Prior Learning:

- Learn that people and other living things have rights and that everyone has responsibilities to protect those rights.
- What improves and harms their local, natural and built environments and develop strategies and skills needed to care for these (including conserving energy).
- About the role money plays in their lives including how to keep it safe, choices about spending or saving money and what influences those choices.
- Learn about responsibilities and rules relating to people and other living things.
- That they belong to different groups and communities such as family and School.
- How they can contribute to the life of the classroom and school.
- To help construct, and agree to follow, group, class and school rules and to understand how these rules help them.

#### National Curriculum Statements:

- That they have different kinds of responsibilities, rights and duties at home, at school, in the community and towards the environment; to continue to develop the skills to exercise these responsibilities.
- What being part of a community means, and about the varied institutions that support communities locally and nationally.
- To recognise the role of voluntary, community and pressure groups, especially in relation to health and wellbeing.

#### Key Vocabulary:

- **Rights** –The fundamental rules about what is allowed of people. Laws set out by the government to ensure humans are treated fairly.
- **Responsibility** – Something that you're expected to do; it's your job.
- **Duties** – A commitment to something or someone.
- **Voluntary** – Actions or activities are done because someone chooses to do them and not forced.
- **Community** – A group of people living or working in the same area.
- **Steal**
- **Borrow**
- **consequence**

#### Significant People
