

Jerry Clay Academy
Subject Unit Overview
Subject: Computing Year Group: 2 Term: Summer 1

Core Learning of This Unit: We are Animators

- How animation works
- To use storyboards to plan an animation
- To create their own original characters, props and backgrounds for an animation
- To film, review and edit a stop-motion animation
- To record audio to accompany their animation
- To provide constructively critical feedback to their peers.

Prior Learning:

In Unit 1.2: We are TV chefs pupils planned videos and used storyboards.

In Unit 2.3: We are photographers pupils took photos using iPads and digital cameras.

National Curriculum Statements:

- Use technology purposefully to create, organise, store, manipulate and retrieve digital content.
- Recognise common uses of information technology beyond school
- Use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content on the internet or other online technologies.
