

Jerry Clay Academy Subject Unit Overview

Subject: PE – OAA **Year Group:** Year 6 **Term:** Summer

Core Learning of This Unit:

- Collaborate with others to help complete challenges.
- Know and understand the different features of a map, including symbols and a key.
- Know the four cardinal directions on a compass (N, E, S, W).
- Follow directional instructions including clockwise, anti-clockwise, 90°, 180° and 360° turns.
- Work with a partner to complete the missing information on a map.
- Work collaboratively to follow a map and help to plan the best route to complete an orienteering course as quickly as possible.
- Know and understand the different features of a map, including symbols, a key, scale and compass directions, and can use this information to read a map proficiently.

Prior Learning:

- Choose and perform skills and strategies effectively.
- Find solutions to problems and challenges.
- Plan and implement the strategies they use.
- Adapt the strategies as necessary.
- Work increasingly well in a group or in a team where roles and responsibilities are understood.
- Prepare physically and organisationally for challenges they are set, taking into account the group's safety.
- Identify what they do well as individuals and as a group.
- Suggest ways to improve.

National Curriculum Statements:

Pupils should be taught to:

- take part in outdoor and adventurous activity challenges both individually and within a team
